

Friday, 28 October 2011

To whom it may concern,

I hereby confirm Antalis International is certified in compliance to the following standards for Purchase, warehousing, sale and distribution of certified paper – PEFC minimum 70% under the PEFC Physical Separation System (annex 4, appendix 1)

The Antalis McNaughton Chain of Custody Certification is part of the Antalis International multisite chain of custody system and the sites in Great Britain are shown on pages 7 and 8 of the SGS certificate in this document.

This certificate is valid from 13th August 2010 until 12<sup>th</sup> August 2015 and remains valid subject to satisfactory surveillance audits. Recertification audit is due before 31 July 2015 Issue 1. Our certificate number is CH10/1177.00 and licence number is

The products listed in this document are certified in accordance to the Programme for the Endorsement of Forest Certification (PEFC), their individual product claims and labels are also shown in this document.

If you have any questions please don't hesitate to call me directly.

Yours faithfully,

Matthew Botfield  
Environment Manager

## Notes

<sup>1</sup> The Rivers Series envelopes range is PEFC certified for new manufacture from 1<sup>st</sup> July 2009, however due to the depth of stock of non PEFC River Series envelopes held at Antalis and/or downstream resellers, shops and office products dealers, there will be many envelopes that are not PEFC certified in the supply chain. Antalis will run through the uncertified stock and replenish with PEFC certified envelopes. Always check the product description for the products PEFC status.

### Invoices & delivery notes - New product claim index

On the Antalis McNaughton and GM2\* Delivery Notes, the products are described with two 40 character lines which is printed consecutively (1 line) on the invoice and in parallel on delivery notes. The maximum number of characters we can use is 80. Until recently, we were unable to fit all the complete FSC claim within the product description, so this index enables us to show the complete claim on our paperwork.

The index is printed on all invoices and delivery notes in full. The abbreviation is included in the individual product line. For example PEFC2 is used for PEFC Certified 70%.

### **PEFC Certificate No. CH1 0/1177.00**

PEFC1 = PEFC Certified 100%

PEFC2 = PEFC Certified 70%

**GM2\*** - Antalis McNaughton provides distribution services for other companies and therefore the warehouse and delivery vehicles are named GM2. GM2 is a department name; it is not a different trading company to Antalis McNaughton. GM2 is within the scope of the Antalis McNaughton Chain of Custody Certification.

PEFC On-Product Label – for guidance of label use, please refer to Product Labelling Guide – see [www.pefc.org](http://www.pefc.org)
